

I will run

I (will) climb(the tree – mountain-wall)

I will soar

The eagle soars in the sky.

I'm undefeated.

Cord – rope

All I see is star

It's not until you fall that you fly

Unstoppable

When your dreams come alive you're unstoppable

Take a shot

Chase the sun

Glow in the dark

Turn the dust to gold

I will chase

I will reach

Out of my cage

Like a bird

I know I'm changing

It's worth fighting for

From the bottom to the top

Never quit

The rest of our lives
